

annual bull sale

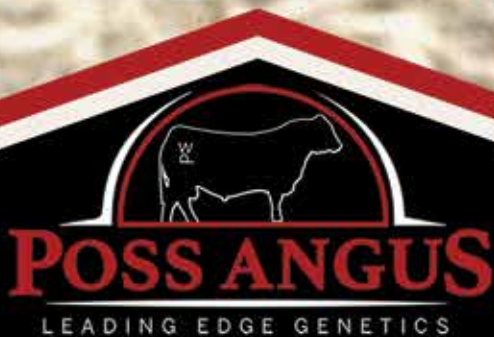

POSS

FEBRUARY 7, 2020 / 1:00 PM / SCOTIA, NE

equals

POWER

welcome from the poss family

Dear Friends and Cattle Producers,

Here at Poss Angus we are looking forward to turning the calendar to a new year. While we never want to wish a way time or the opportunity to enjoy another day, we are just excited about closing the chapter to a difficult year that really left a lot of people feeling defeated and out of luck. We are excited about all the possibilities 2020 can bring to all of us. We are proud to be part of an industry of people that is always finding a way to make tough times better and good times great.

On February 7th, we will host our annual Poss Angus Bull Sale at our ranch in Scotia, NE. We look forward to visiting with our loyal customers who have become our great friends. It is also an honor for us to meet the new people who have come to check out what we have to offer. We would humbly ask that you introduce yourself to us so that we can better get to know you and your program.

Our team at Poss Angus has worked diligently to bring our best offering to this sale. These bulls have been developed with the commercial cattlemen in mind to ensure that they can handle the harshest environments. As always, we back them with a great guarantee through the first breeding season. If a problem arises, please give Danny a call right away. Your complete satisfaction with your purchase is a top priority for us, and we stand by that.

Every bull in this offering has been DNA tested using the AngusGS test option. All bulls meeting the age requirement will be ultrasound tested before the sale with that information and updated EPD's related to that information available sale day. As we have done in years past, the yearling bulls will be semen tested in March and then delivered after that. The fall and two-year-old bulls have already completed and passed a breeding soundness evaluation, and that certificate will accompany them on sale day.

On Thursday night before the sale, join us for our annual Indian Taco meal, and take in a presentation from Shawn Ryan on maximizing your herd's immunity. Shawn will focus on the management of energy and minerals to unlock more profit potential with lower feed costs.

Our family is grateful for the opportunity to host yet another sale at the ranch, but we are even more thankful for the relationships we have gained through the friends and customers that have trusted us along the way. If there is any way we can be of assistance to you, please feel free to call any of us and we would love to visit with you about your operation and how Poss Angus bulls can be a source of powerful growth, carcass and maternal genetics for your cow herd. We look forward to seeing you Friday, February 7th at the ranch!

Danny Kristi

Thank you...

ONLINE BIDDING & VIDEOS

The sale will be broadcast live with online bidding on SuperiorLivestock.com and SuperiorClickToBid.com. Please register to bid at least 24 hours in advance of the sale.

PHONE BIDS Phone bids will be handled in a confidential manner. If you are unable to attend the sale, please contact Danny or Nolan prior to January 31st so they can assist you during the sale.

VOLUME DISCOUNTS Offered starting at 3 bulls (3%) and increasing 1% for each additional bull up to 10 bulls. Maximum discount of 10% offered.

GUARANTEE Unconditional first breeding season guarantee against death or injury to all bulls. Breeding season is defined as the 90-day period following the first turnout of the bulls. Replacements are available, or if the buyer prefers, credit will be given in the following year’s sale. Please notify us as soon as possible after injury and prior to the sale of the injured bull. All claims must be made by October 1st.

TERMS Poss Angus assumes no liability in case of an accident. All cattle will sell under the terms and conditions recommended by the American Angus Association.

SEMEN EVALUATION Falls and coming two year olds have been semen evaluated and yearlings will have a breeding soundness evaluation done in early March by a qualified veterinarian. Bulls will be accompanied with proper certificates on delivery day.

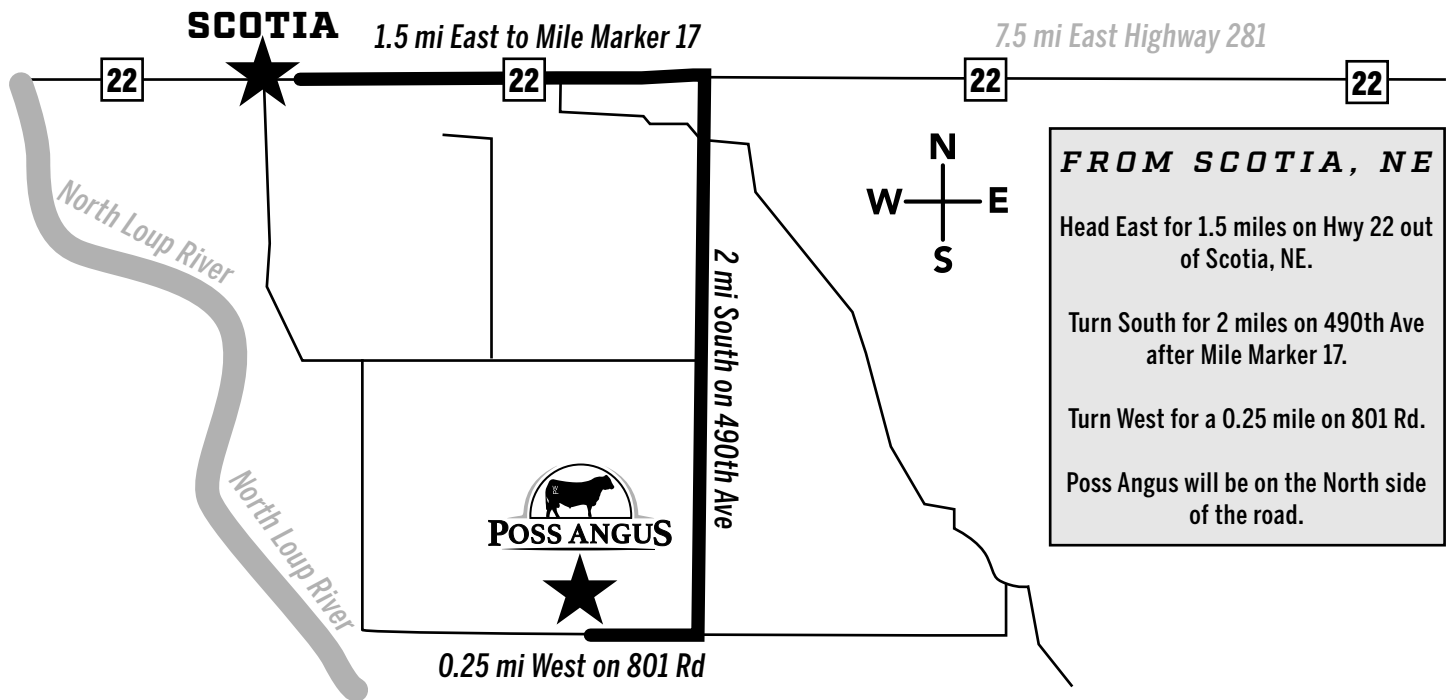

TRUCKING Bulls will be wintered until mid-March at which all bulls will be delivered within 400 miles free of charge.

HERD HEALTH Bulls have been vaccinated for P13, BVD, BRSV, Haemophilus, Vibrio, Lepto and 7-Way. Bulls have also been wormed for internal and external parasites.

SEMEN INTEREST Poss Angus will retain 1/3 interest in all bulls selling. Buyer has full possession and salvage value.

INSURANCE Jared Mohnen of Dakota Ag Insurance will be providing mortality and infertility insurance. Reach him at 605-999-4475 with any questions.

“Maximize your Rocket Fuel and Herd Immunity”

with Shawn Ryan

THURSDAY, FEBRUARY 6TH — 6:00 PM — POSS ANGUS

Shawn Ryan earned his B.S. in Animal Science & Business degrees from Kansas State University. He has helped development modern management programs for dairymen, farmers, and ranchers for the past decade.

Shawn believes there are simple opportunities cattlemen can take to maximize reproduction and herd immunity. By focusing on the management of energy and minerals, more profit potential can be unlocked with lower feed costs.

HOW TO PARTICIPATE AS AN ABSENTEE BIDDER

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled “Register for a Buyer Number”. Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer’s number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior’s online bidding platform for cattle buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy - just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid on the internet, but you must be a member of www.superiorclicktobid.com to “click-to-bid”. Your computer must have Flash Media Player installed for this website to view the auction.

If you have any questions, please call the Superior Productions office at 800-431-4452.

Poss Maverick sold in our 2018 sale as the all-time high selling bull to Belvin Angus and Semex. The Maverick progeny have surpassed our expectations in terms of elite phenotype and carrying on his incredible EPD profile. Maverick's elite combination of \$B, Marb, and phenotype make him a must use sire. The exciting first calf crop by Maverick is a group that has created quite the stir throughout the Angus breed. The ability of backing up the genomic power with scale crushing data is what makes Maverick so unique. His progeny includes Poss Rawhide, who's in this offering and holds the calving-ease promise of his sire. His dam Poss Blueblood 6502 is a herd favorite at the ranch. She is currently one of the highlights in our young donor pen. The first chapter has begun, but the rest has yet to unfold as 20 Maverick sons along with an elite group of maternal brothers will highlight the 2020 sale!

MAVERICK

“ *After my travels through the fall, the Poss Maverick progeny are getting it done and going to have a nice 2020.* **”**

W
P

Dam to Lots 1-5 **Poss Blueblood 6502**

A congress of flush brothers to start off the 2020 sale! A mating of brothers that has been highly anticipated and that brings much enthusiasm to not only Poss Angus, but to the Angus breed as well. The result of the masterful mating of Maverick to the leading donor at Poss Angus, Poss Blueblood 6502. The flush is led by Rawhide, the calving ease specialist, and one of the longest, thickest, stoutest made bulls to ever grace our pastures that is a potential sale topper. His flush mates are heavy middled bulls, balanced trait bulls with breed leading figures, that possess an amount of lower quarter that is hard to find.

Their dam is a herd leader with unmatched phenotypic power. She is the #1 205-day weight of her calf crop and one of the \$C leaders in the herd. She has become a valuable part of our ET program and will have several progeny with her influence to headline our sale for years to come.

Dam to Lots 6-9 Poss Elmaretta 648

*“an outlier,
landmark flush”*

A landmark flush with powerful phenotype, scale crushing performance, and muscle-shape that is an outlier in today's world. This flush of bulls are stout, rugged, heavy muscled, and ultra-thick; that are bred to sire cattle the same way. This group of bulls has already created a monumental amount of attraction, and will continue to do so on sale day.

They are led by the great Poss Wrangler, that has redefined the terms of muscle shape, depth of rib, lower quarter, stoutness, and eye appeal. A moderate framed bull that still has that scale crushing ability that was the high indexing bull amongst the ET calves.

Their dam is one of our most exciting up and coming cows in our entire herd, and one that has earned her place in the donor pen for her phenotype, and fertility. A total outcross cow that has captivated the attention of all who see her, she has become a maternal legend in our herd with several daughters amongst the best we have ever raised.

One of the most anticipated matings for the 2020 sale, Maverick 948. Combining two of the elite animals ever produced on our ranch, to create what we feel is a masterpiece of a bull. This larger framed option from Maverick, still gives the same traits as his sire from his clean look, long spine, and big hip. A perfect footed bull that will create big time feeder cattle that will grow like no other and still give big time carcass potential. His dam is what we believe to be an absolute phenotypic standout, who raised one of the high indexing bull calves this year.

Another high capacity son of Maverick that exhibits a heavy muscled structure. This deep and bold ribbed bull is a featured bull with one of the most exciting pedigrees in the herd. His mother is a top-notch cow and one of the most phenotypically stunning females in our herd. She is also a mother of the \$21,000 Poss Brigade that was a sale feature in the 2018 sale that sold to Hedgewood Prairie and Wheatland Farms both of Kansas.

LEADING EDGE GENETICS

“Maximize your Rocket Fuel and Herd Immunity”
with Shawn Ryan

THURSDAY, FEBRUARY 6TH — 6:00 PM — POSS ANGUS

Shawn Ryan earned his B.S. in Animal Science & Business degrees from Kansas State University. He has helped development modern management programs for dairymen, farmers, and ranchers for the past decade.

Shawn believes there are simple opportunities cattlemen can take to maximize reproduction and herd immunity. By focusing on the management of energy and minerals, more profit potential can be unlocked with lower feed costs.

EB Teddy was purchased in 2017 from the Edgar Brothers program, when he became their record selling bull. The Teddy progeny have exceeded our expectations in terms of phenotype, growth, performance, eye appeal, and calving ease. Since the purchase of Teddy, he has proven to become a low birth weight, calving ease Resource son. His dam is one of the most beautiful cows in Ted Watson's herd. The Teddy daughters are easily found in our pastures, they are deep and square and look to mimic his phenotype.

Welcome from CK6 Consulting

welcome to the Annual Poss Angus Production Sale! The first 30 days of the spring bull selling season is always exciting and many years, it really sets the pace for the entire seedstock industry. Poss Angus is one of the building blocks that has helped build that value discovery foundation in the breed.

At this point many people want to look back and reference the past year. I am going to pass! The future looks to bright and

rewarding. If you are an agriculture survivor, God Bless you and let's go forward! The fundamentals look tremendous for the dedicated and hard working. That is what you find here at Poss Angus. A family that gets after it everyday and rides the ups and downs of this great business. Rewards are good but so is sacrifice. Brands are built by sacrifice and that is what we have in Scotia, Nebraska. The Poss brand is in all parts of the country and it continues to advance as noted and documented by many of the sires in this tremendous offering. Feel comfortable that that brand behind the animal you buy will perform in the marketplace and help you achieve the premiums that are afforded to elite genetics.

Wes and myself are very appreciative and excited to be part of this sale and program. We pride ourselves in being up front and honest about all things genetics. If we can be of assistance, please do not hesitate to ask. The offering is the best yet since I have been involved with Poss Angus and we sincerely believe it deserves your attention and appraisal.

Chris Earl 630-675-6559 — Wes Tiemann 816-244-4462

God Bless, Chris Earl

four flush brothers

PW Lot 40 **Poss Teddy 9528**

An opportunity to cash in on fantastic Teddy son. 9618 has an abundance of bone, width of chest and muscle. A bull that will sire cattle in the same way with a moderate framed. The dam is a previous member of our established donor pen. She is most notably the flush sister to Poss Sensational, who was an esteemed member of our herd sire group, and a sale highlight of the 2015 sale when he led the sale in selling a semen interest to Jim Lutz, of NE. Several progeny have been influenced by the same pedigree throughout our entire herd.

Mogck Amplify is a total outcross bull for most commercial cattlemen, that will add frame size and extend the BWT to YWT spread. One of the breed leaders for the new \$C trait, Amplify is a breed leader for \$M ranking in the top 5% and \$B ranking in the top 2%. Amplify is bred to add end product merit ranking in the top 30% for marbling and 3% for RE. Our new outcross bull was one of the first sons to sell by Sydgen Enhance who has become one of the top bulls used in the country. The first calf crop is very attractive, long bodied and will catch your eye walking the pens. We hold great promise for this progressive sire.

Poss Amplify 991 is one of the top bulls of the entire calf crop and is a part of the first calf crop sired by Mogck Amplify. This big-time herd bull and AI stud candidate bull shows off one of the top EPD spreads of the entire offering ranking within the top 10% in 14 different traits. 991 is a larger framed bull, but one that is very long bodied, and puts the pounds on. This bull is a breed leader for the new \$C trait that was released last summer. On actual data, he sports a ratio of 93 at birth to a 111-weaning ration. His dam is one of the premier females in our herd and has risen to the top with her capability of producing big time herd bull candidates. Her son Poss Teddy 8145 was a sale feature in last year's sale, going to Sladek Brothers, NE.

Poss Achievement was the high selling bull of the 2017 sale, and is owned by Sitz Angus and ABS. Achievement has become one of the highly sought-after heifer bulls in the ABS lineup. The first son of Achievement to sell through the ring at Sitz's, commanded an \$80,000 evaluation. The dam of Achievement is one of the very best females to ever leave the ranch, and was the all-time high selling female to Double R Bar Ranch in last year's sale. Her excellent foot structure, eye appeal, and depth of rib in a moderate framed package is evident in this sire group.

Big time herd bull candidate right here! One of the most phenotypically correct and eye appealing bulls in the group, that has a great number spread to back it up. This big, powerful bull is massive in his design. He is also one of the thickest and stoutest bulls to come off of our place. What has been one of our favorites all along, has continued to impress each and every day. His mother is a maternally oriented cow, backed by one of the most solid In Focus daughters to ever walk our pastures.

Jindra Blackout became the all-time high selling bull in the Nick Jindra program when we partnered up with Koupal Angus, SD and Alta Genetics to purchase this powerhouse bull. Sired by the highly sought after Jindra Acclaim, Blackout offers his sires performance in a more docile, easy fleshing, moderate, genetic package. Blackout has been a visitor favorite for many that see him for his excellent foot structure and wide based heavy muscled phenotype. These same traits are proven throughout his first excellent sire group. The dam is an elite Shear Force daughter that portrays a brood cow look in a moderate framed package with a near perfect udder.

An incredible way to start off a sire group that brings unbelievable outcross capabilities, in a powerful substance form. Powerhouse flush brothers that are a force to reckon with because of their extra size and scope, massive volume and dimension, as well as scale crushing performance. This group is led by Poss Blackout 9505, who has been one of the most powerful bulls ever born and raised here that is sired by the exciting, new resident herd sire, Jindra Blackout.

Their highly productive and efficient dam is a model of performance and heralded results, as she is also the mother of none other than Poss Maverick. She has since become one of the high-income producing cows in our herd, as well as an integral part of our donor pen. With her capability of phenomenal flush results, her influence will be one of the most desired in our program for years to come.

A lone member of the inaugural flush by Jindra Blackout to Poss Erica 327. What has created a stir within, has blessed the maternally powered flush that results in 9511. A high-octane flush that has resulted in added frame and performance from a cow that is one of the best footed animals to ever grace our pastures. She was the high valued female from last year's sale that sold to Double R Bar Ranch, IN where she is now a headlining donor female. Her influence has generated into one of the most heavily sought-after heifer bulls in the ABS lineup, Poss Achievement. Other sons have highlighted recent sales including two full brothers that are working for two of the top commercial cattlemen in the Nebraska Sandhills. Look for several maternal siblings to highlight future sales.

Lot 84 is one of the elite sons from the first calf crop by Blackout. This heavy muscled bull is one that shows us a serious amount of width from his chest and flank. A bull that possesses lots of rib and capacity that should sire those same exact traits to his progeny. He brings an elite, high performing number package that backs up his phenotypic characteristics. His dam is one of our favorite first calf heifers, sired by Element out of the famed 2135 cow that is working in the Cline Angus herd after headlining the donor division of our sale two years ago. Buy with confidence on this one!

One of the few Acclaim sons, but boy does this bull have growth and performance. A real long bodied bull with excellent carcass potential. This big framed bull comes from a dam who is a square hipped and strong topped daughter of Potential.

A larger framed masterpiece that is long bodied and built with authority. A heavy muscled bull that is built from the ground up with muscle, power and dimension. Sired by one of the breed leaders for registrations, Jindra Acclaim, who has taken to a whole new level the definition of breed leading performance in a larger framed package. The dam is the fabulous Poss Blueblood 2135, who has several daughters with progeny influenced in this sale. 2135 was a sale highlight in the 2018 sale, selling to Cline Angus, NE who has since become a pivotal donor in their herd. A maternal sister is the dam of the Lots 10 and 11. The same cow family is responsible for the production of the fabulous flush of Lots 1-5, including Poss Rawhide, the sale feature.

Baldrige Colonel was the all-time high selling bull in the historic Baldrige Bros program when he brought \$580,000 to an elite group of breeders. The Colonel calves continue to dominate everywhere they sell. Thanks to their excellent rib shape and muscle, Colonel has made one of the most demanding sires to ever come through the Angus breed. The renewed interest on Colonel comes from his excellent feet, docile progeny and consistent muscle pattern. The daughters are destined to be excellent with the proven and predictable Baldrige Isabel Y69 as his dam.

A uniquely bred, calving ease option by Baldrige Colonel that is a bull from the flush of STF Rita B405, who was the bigger framed, breed leading valued cow in the breed. A long bodied, smooth made bull that is correct in his design, and has garnered an abundance of style and eye appeal. An impeccable phenotype that is coupled with a number set of EPDs of 16 traits in the top 10% in the breed. His dam was the massive bodied, long spined cow that headlined the donor division of last year and was the second-high selling cow selling to Big Timber Cattle of Florida. A maternal brother to this featured bull was a highlight of the first offering sired by Teddy, who sold to Alta Genetics of Canada.

Baldrige Compass has continued to prove that he is the female maker in our herd. The progeny of Compass continues to excel in most areas of performance. His proven EPD profile shows balance in a calving-ease package. The bulls are typically some of the thickest, stoutest made cattle we produce every year. The daughters are some of our best in terms of udder quality and femininity. We have already placed one daughter in our donor pen with several others soon to follow.

Connealy Long Range was purchased with Alta Genetics from the elite Connealy Angus program. Sired by the rare, and phenotypic powerhouse Hoover No Doubt, Long Range continues to sire the same traits as his sire in a more moderate framed package with an edge on calving ease. This bull that has impressed us with his outcross pedigree and performance. The dam of Long Range is one of the most consistent producing cows in the Connealy herd, having raised Long Range and Big Valley, back to back lead off bulls in their most recent spring sales.

Hoover No Doubt has become a living legend in the Angus breed, because of the consistency in his progeny as well as the amount of performance sired. Semen on No Doubt is almost impossible to come by with units bringing in upwards of \$2,500. The daughters look to be possibly his best attribute. His ability to sire cattle with guts, docility, excellent feet and muscle is exactly what the Angus breed is in search of.

A true masterpiece right here that is one of the last members produced from the historic flush sired by Poss Easy Impact to the Poss Blueblood 920 who has garnered unbelievable recognition as what some consider one of the best All Around to ever enter the breed. 9537 is a larger framed version of his flush that has a big bodied stature, and one that exemplifies everything in a breeding bull. A flush sister is the mother to the lead off flush of the sale in Lots 1-5, Poss Blueblood 6502. A flush brother was the Lot 1 bull of last year's sale that sold to Bernard Kamphaus of Nebraska. The influence of his mother, maternal sisters, and flush sisters; will be heavily involved within our operation for years to come.

Cowboy's kind of bull right here sired by the crowd favorite from the 2017 sale, Revolution. This attractive bull will catch your eye from a mile away because of his impressive phenotype. A smooth made bull that is correctly made from a skeletal standpoint. His mother was one of the top indexing cows of her group, that will continue to stamp her progeny with performance and correctness.

W P Dam of Lot 162 **KR Miss Alliance 5273**

One of the most heavily anticipated bulls of the fall offering for this year. A son of Bomber, the high selling bull from the Rancho Casino herd that commanded a record-breaking total of \$190,000. Bomber has since become one of the heaviest used bulls of the Angus breed. The bull is one of the first opportunities in the country to purchase a son of this sire, and what we feel has become a growth-oriented option of the bull, and one that exhibits extreme amount of muscle mass, base width, depth of rib, as well as an eye appeal like no other. This son was a part of our purchase for his mother in the Krebs Ranch dispersal, where we thought she was the phenotypic standout of the offering. The dam has since become a pivotal donor for both us and Barstow Angus. Several offspring will be sure to highlight both sales in the near future. Owned with Barstow Angus.

An exciting opportunity to purchase what we feel is one of the best Colonel sons so far. Big time herd bull and AI stud capabilities with this bull. 822 is the combination of taking what we feel are two of the best cows with influence in our herd and combining them together. A real moderate framed bull that has one of the most balanced set of numbers you will find anywhere on your travels. A never-ending amount of maternal excellence in this pedigree. 822 has bred cows in both the spring and fall herds, with great results. We anticipate a bright future with this bull and one that we feel will create great females. His dam is one of our most exciting donor cows, and is one a pathway to excellence. Her first set of ET calves highlight this sale with lots 1-5, including the exciting Rawhide. Look for several brothers of this bull to highlight future sales.

One of the real impressive bulls in the offering that is very powerful in his build. A masculine bull that has lots of mass and dimension, as well as good shape and depth of rib. His dam is a moderate, feminine Safeguard daughter from the Blueblood 920 cow that has several daughters retained in the herd.

Sire of Lot 172-174 Baldridge Willie Y34

Bigger framed bull that is a high marbling option sired by Willie. A bull with a serious amount of stretch to his build, with a balanced set of \$Value's. His dam is a long-bodied Consensus daughter.

HOW TO PARTICIPATE AS AN ABSENTEE BIDDER

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding platform for cattle buying. Please note that high speed internet is required - this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy - just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid on the internet, but you must be a member of www.superiorclicktobid.com to "clickto-bid". Your computer must have Flash Media Player installed for this website to view the auction.

If you have any questions, please call the Superior Productions office at 800-431-4452.

67	0.55	0.58	69	114	49	163	280

Another big-time herd bull candidate that has already been plugged into our herd. Used this spring on heifers, we feel that this bull has unlimited potential. A perfect footed bull that stands on a big hoof, and one that is long bodied with lots of lower quarter and thickness down through his stifle. Take a look at the impressive number spread and you will see that it complements his phenotype rather well. His dam, now deceased, was a donor candidate purchased through 4M Angus; several progeny will highlight next year's sale. Tracing back to the famous Riverbend Blackbird 4301, this cow family has about as much credibility in the Angus business as any. A full brother to the dam was a high selling feature of the 4M Angus program, that went on to Peak Dot and Semex as a demanding heifer bull with unspeakable phenotype and performance. A flush brother to this bull was the high selling bull in last year's sale, selling to ST Genetics, Navasota TX.
